Lake Forest High School has long been known for the quality of its educational program. It has also been well known for the quality of its athletic program. We believe that participation in extra-curricular activities will benefit our young people as much as participation in the classroom and we are proud of the athletic program we provide for both boys and girls.

The Lake Forest High School staff, students and parents wish a warm welcome to our visitors.

Robert H. Metcalf
Superintendent

LFHS has a tradition of championship teams. Let's do our best to continue that tradition and give those who follow the goal of maintaining the standards we set. Let's aim for championships in all ten girls' sports as well as the eleven sports for boys provided in our comprehensive athletic program.

The North Suburban Conference is a tough, well-balanced one, and we must be mentally and physically tough to be successful against the caliber of competition we meet week after week. "When the going gets tough, the tough get going."

LET'S GO, SCOUTS!!

DICK OLUFS

A 13-5 dual-meet record and a second-place Conference Tournament finish were among the highlights of the Cross Country Team under the inspired leadership of Coach Olufs.

Coach Olufs will be starting his twelfth year as cross-country head coach. His coaching experience also includes head football coach at Grayslake and assistant varsity track coach for the Scouts.

This versatile instructor has taught physics, chemistry and math during his 25 years of teaching. He has been teaching math for 14 years at LFHS. He received his B.A. from Augustana College and his M.A. from Western Michigan University.
